

# PRENTIS FRAZIER PLAY AREA NEEDS TO HEAR FROM YOU!

We need your input! Seattle Parks and Recreation is renovating the play area at Prentis Frazier Park. Please join Seattle Parks and Recreation's Planner, Landscape Architect and Sr. Landscape Architect to discuss ideas about the park and the new play equipment.

We will have the first public meeting at Miller Community Center to gather your input. We encourage families, neighbors and park supporters to attend. Light refreshments and children's activities will be provided.

This project will replace play equipment, provide access for people with disabilities and improve safety and other features at the park. Prentis Frazier Park is located at 401 24th Ave E, Seattle, WA 98112. Funding for this park improvement is provided by the Seattle Park District.
